

LET US HELP YOU RAISE EQUITY ACROSS EUROPE

A specialized network of
healthcare investors

Equity Fundraising

Raising funds is a lengthy and complex process for start-ups, especially those looking to launch in multiple markets across Europe.

At the **Investor Network**, we can help you navigate that process.

As experts in that field since 2008,

We successfully qualify, target and connect

- Healthcare companies
- Raising series A round to
- Specialized International VCs - CVCs -Family offices
